

Susquehanna Apothecary Wholesale Price List

About us: Susquehanna Apothecary is owned & managed by herbalists Ella Usdin & Benjamin Weiss. The aim of the apothecary is to craft the highest quality extracts of plants & fungi for use by consumers & holistic health practitioners. The apothecary also serves as a way to add value to herbs from sustainable farms in order to provide meaningful & dignified employment & educational opportunities. Susquehanna Apothecary is located in Lancaster, Pennsylvania. All of our products are made from responsibly grown or ethically wildcrafted plants & fungi. We use organic alcohol, oils, & glycerin. All of our products are made with reverence & love for the Earth & all of her inhabitants in a state of mind conducive to healing.

Susquehanna Apothecary is owned & operated by Susquehanna Sustainable Enterprises LLC, 223B W. Walnut St. Lancaster, PA 17603.

Ordering, inquiries, & shipping: Please email us at susquehanna.apothecary@gmail.com or call us 717-288-7058 (Monday-Friday, 9am-5pm EST). Before placing a bulk order please contact us about shipping and delivery options.

Proprietary Formulas & Blended Extracts: We specialize in making custom herbal formulas for herbalists, medical practitioners, and clients/patients. Choose from any of the herbs on our price list, or inquire with us about adding other herbs/fungi. Pricing for custom formulas is as follows:

- Median price of all herbal/fungal extracts included in formula
- Fee of 30% of median price for up to 5 herbs/fungi in formula
- Fee of 40% of median price for 6-9 herbs/fungi in formula
- Fee of 50% of median price for 10 or more herbs/fungi in formula

How to use this list: The herbs/fungi are listed alphabetically by latin name below. Each is assigned to a pricing structure, A-E. To find pricing for a particular herb/fungus, locate it in the alphabetical list and see the appropriate pricing structure. This list includes only herbs that we commonly stock. We are able to source many other herbs/fungi not listed here.
